

# *Welcome to*

**brokervisionlive**  
professional interactive claims management

## *An Introduction and Guide*

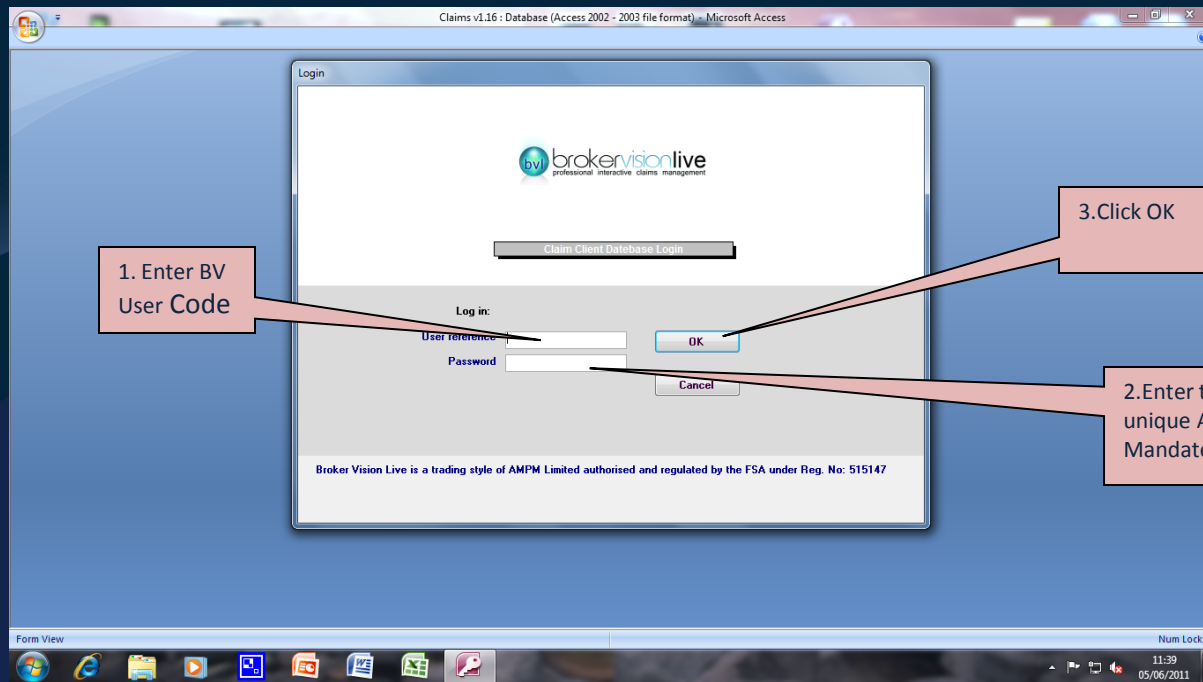

brokervisionlive  
professional interactive claims management

The **FREE** simple to use database system developed by AMPM to administer **ALL** your domestic and commercial claims.

This allows **YOU** the opportunity to answer all **YOUR** client's queries, in real time with accurate information updated every 24 hours

- This is the log on screen which is accessed via the direct Broker Vision Live link on the AMPM website ([www.ampmlimited.com](http://www.ampmlimited.com)) and allows you secure access to the 24 hour updated copy of AMPM's Claims database.
- You must enter the unique BV User reference allocated to you followed by the password for the specific claim you wish to view.
- This password is always the AMPM mandate number printed on the top right of the client authorisation mandate signed by the policyholder at the time of a claim event.
- This provides you and/or your client with a unique security access point. Immediately following the appointment by your client and the signing of the mandate, AMPM will advise the insurer of their appointment and will copy you with the confirmation providing you with the mandate number (Password).
- Having entered the above information - Click OK to open Broker Vision Live.

The screenshot shows the BrokersVisionLive dashboard for Mr. Tony Mulligan. At the top, there are navigation tabs for 'Dashboard', 'My Details', 'My Claim', and 'Log Out'. The main content area is divided into several sections:

- My Details:** A section containing contact information such as 'Contact ID: 45', 'Customer Name: Tony Mulligan', and 'Broker User: 11/1/2005/1'. A blue callout box points to the 'My Claim' tab, stating: "Use either of the My Claim tabs to access the claim details."
- Claim Status:** A table showing claim progress. A green callout box points to the 'Completed' status, stating: "This box shows the last action on the claim".
- Next Action:** A section with a red header showing 'Next Action Due: Closed File' and 'Next Action Date:'. A red callout box points to this section, stating: "This box shows the next action proposed and when it is scheduled to be completed".

At the bottom of the dashboard, there is a 'View Claim Details' link in the green section.

- The first thing you will see is the 'Progress/Outstanding Actions' screen which allows you to instantly answer the two most common queries from **YOUR** Customer the Policyholder.
- This gives you an opportunity to provide accurate and up to date information on the progress of the claim without the need to telephone or email the insurers or their representatives, saving you valuable time.
- To view any aspect of the claim in detail Click the My Claim Tab either at the top or the link in the lower right corner of the green section.

The screenshot shows a web browser window with the URL `brokervisionlive.com/myclaim.asp`. The page header includes the logo for 'brokervisionlive professional interactive claims management' and the user name 'Mr Tony Mulligan'. Below the header, there are navigation tabs: 'Dashboard', 'My Details', 'My Claim', and 'Log out'. The main content area is divided into two sections: 'Claim Information' and 'Claim Progress'.

**Claim Information**

Date of incident:	20 May 2011	AMPM Claim Manager:	Russell

**Claim Progress**

Work Authorised:	Yes
Current Claim Status:	Completed
Updated:	20 May 2011
Next Action Due:	Closed File
Next Action Date:	

At the bottom, there is a navigation bar with tabs: 'Claim Details', 'Mandates', 'Payments', 'Calls', 'Estimates', 'Invoices', 'Scans', 'Emails Received', 'Emails Sent (Int)', and 'Emails Sent (Ext)'. A callout box points to the 'Mandates' tab with the text: 'Click this tab to view the AMPM Mandate which provides the unique Ref. No: allowing access to the claim file'.

- As you can see the Policyholders information is shown with a number of information tabs below.
- Each one shows the details and/or copies of the relevant information with the date the action was updated if applicable.
- For example if you or the insurer needs to see the mandated authority for AMPM to act on the Policyholders behalf click the tab Mandates and the relevant screen opens instantly.

The screenshot shows a web browser window with the URL `brokervisionlive.com/myclaim.asp?view=2#tabs`. The page has a navigation bar with tabs for 'Dashboard', 'My Details', 'My Claim', and 'Log out'. The main content is divided into two sections: 'Claim Information' and 'Claim Progress'.

**Claim Information:**

Date of incident:	20 May 2011	AMPM Claim Manager:	Russell
User Reference:	BV11/2005/1	AMPM Claim Manager Phone:	07944++++
Policy No:	FF00001523***	Contact ID:	45

Below the progress section is a horizontal menu with tabs: 'Claim Details', 'Mandates', 'Payments', 'Calls', 'Estimates', 'Invoices', 'Scans', 'Emails Received', 'Emails Sent (Int)', 'Emails Sent (Ext)', and 'Contractors'. The 'Mandates' tab is selected.

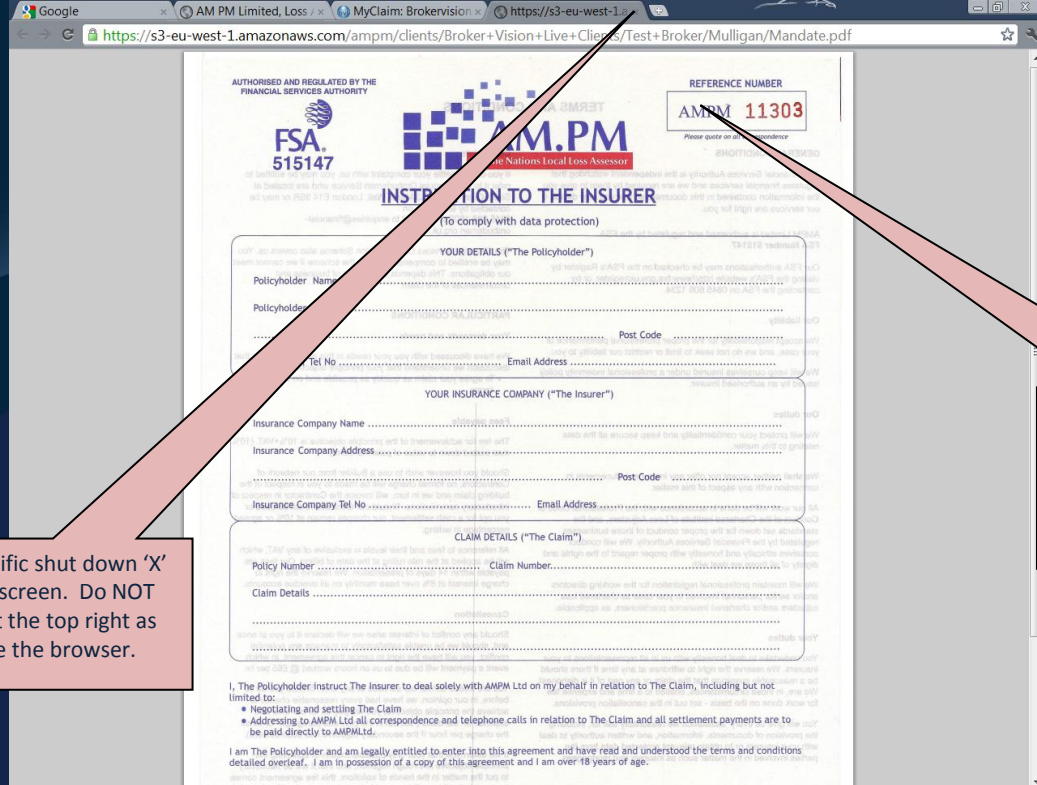

A red text instruction reads: "Please find below a list of attached mandate documents. Simply click the view icon on the right to view."

Document	Date	View
Mulligan Mandate.pdf	17 September 2010	

At the bottom of the page, there is a footer: "Broker Vision Live NT System V2.0 ONLINE © Copyright AMPM Ltd 2011. All Rights Reserved".

A callout box with a pink background and black border contains the text: "Click this tab to view the AMPM Mandate which provides the unique Ref. No: allowing access to the claim file". A red arrow points from this box to the 'View' icon in the table above.

- When the relevant screen opens if you now click on the small 'View Icon' at the right hand side of the entry it will open the actual copy of the Mandate.

Use the specific shut down 'X' to close this screen. Do NOT use the 'X' at the top right as this will close the browser.

This is the AMPM Mandate reference which provides the unique Ref. No: allowing access to the claim file

- You can scroll through the document to read it and if you look at the reference number at the top right the number shown is and will always be the password for you to see the particular claim details.
- Click the shut down X on the specific tap at the top of the file and the file closes.
- This will return you to the main claim screen. You can now view any other items simply by clicking on the Tab which corresponds with the area you wish to view.
